

MONTANE

ENVIRONMENTAL STATEMENT AND POLICY

Montane Developments (Ireland) Ltd recognise that construction operations can have a damaging impact on the environment, we intend to carry out operations in such a manner as to ensure, as far as is reasonably practicable, a high standard of environmental protection and awareness is maintained.

In order to deliver and maintain high standards of environmental care the company will:

Promote environmental awareness amongst its employees and its sub and package contractors.

Promote the development of improved standards and methods of construction and manufacture that are energy conscious and utilise construction materials in an efficient manner.

Cause working methods to be adopted, which minimise damage to the environment.

Cause materials to be handled and disposed of in a manner that does not damage the environment.

Promote or maintain close relationships with the enforcing authorities and other environmental organisations and groups, as appropriate.

Everyone has a personal responsibility towards the environment in which we live.
