

MONTANE

STATEMENT AND POLICY ON SAFETY, HEALTH & WELFARE AT WORK

It is the policy of Montane Developments (Ireland) Ltd that all Construction works carried out on our behalf, are executed and managed in such a manner as to ensure, so far as is reasonably practicable, the Safety, Health and Welfare of employees and all other persons, including other contractors and members of the public who may be affected by our operations.

It is the policy of Montane Developments (Ireland) Ltd to comply with the Safety, Health & Welfare at Work Act 2005, The General Application Regulations 2007, The Safety, Health and Welfare at Work (Construction) Regulations 2013 and all other Regulations affecting work on construction sites.

It is company policy to consult staff and employees on matters relating to Occupational Health and Safety, employees are hereby notified of the company policy and are encouraged to comply with their duties and to actively engage and embrace safety as a company core value.

The Company recognises the importance and value of co-operation between employees at all levels within the organisation. Good standards of cooperation are achieved by providing proper consultation, safety representation & training. The allocation of duties for safety matters and particular arrangements to implement this policy are set out in the Company Safety Statement.

The Company recognises that work accidents and work related health issues cause suffering to persons affected and possible financial loss to themselves and to the Company. The Company and its employees have a common interest in minimising the possibility of accidents and ill health,

This policy will be kept up to date particularly as the business changes in nature or size. To ensure this, the policy and the way in which it has operated will be reviewed at least annually.
